RE: Oludare Onisile, M.D.
Case# MD-10-0803A

Dear Mr. Hall:

The purpose of this letter is to inform you that during the course of the February 9, 2011 public meeting, the Arizona Medical Board (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue Dr. Onisile this Advisory Letter for failure to properly document, screen for abuse, screen for psychiatric decompression and for inadequate supervision of a Physician Assistant. There is insufficient evidence to support discipline.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, the licensee may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-1451(E)(3). Please be aware that Board staff will only post a narrative response by the licensee or the licensee's legal representative on the Board's website. Accordingly, please do not include medical records or third party opinions as part of your response. Also, please remember that your client is responsible for maintaining the confidentiality of the patient's identity. Finally, Board staff requests that the response not disclose the name of the medical consultant who reviewed the case or the name of any other healthcare provider associated with the matter in question.

If timely received, the response will be attached to the advisory letter and maintained in the licensee's permanent file. The written response will also be hyperlinked to the licensee's profile on the agency's website.

Sincerely,

Amanda Schwabe
